

Hello MTVA Members!

I hope everyone has enjoyed a wonderful summer! This letter is for past participants of the MTVA Middle School Mass Choir Event as well as for directors that might be interested in attending this year.

We are working very hard to secure the clinicians for this year's event. As soon as the clinicians have been confirmed we will get those names out ASAP. Their selected repertoire will also be on the MTVA website as soon as we have that information available.

Registration will open up on Tuesday, August 15th. Once registration opens, you may go ahead and e-mail me the ensemble you will be registering for, how many total students you will be registering, and the breakdown of how many soprano, alto, and baritones you have. PLEASE NOTE that e-mailing me DOES NOT take the place of registering on the website, it just helps me keep track of numbers. You are not registered for this event until you do so through the website.

The deadline to register is Tuesday, September 12th, 2017, and the event will take place on Tuesday, September 26th, 2017 at Christ Church in Nashville. We are capping each SAB ensemble at 250 students and the SSA ensemble at 200. These spots fill up fast, so please make sure you register quickly! Once the ensembles have capped out, we will not take any further registrations for them.

Also, please note that you will not be able to register if your NaFME membership is not current, or if you have not completed the Director Registration on the MTVA website.

Please do not hesitate to let me know if you have any questions. I hope you will take the opportunity to attend this years MTVA Middle School Mass event as it is a great way to start off the year with your choir students!

Sincerely,
Lorna Pyka
