The MTVA Mass Choir is an unforgettable celebration of music, collaboration, and community! This exciting regional event, sponsored by the Middle Tennessee Vocal Association, brings together hundreds of talented elementary and middle school singers from across Middle Tennessee for an inspiring day of music-making. Students have the unique opportunity to rehearse with a distinguished guest clinician, build friendships with fellow young musicians from other schools, and the event concludes with an evening performance.

Here are some specifics:

- Elementary and Middle school Mass choir are considered two separate events, though they are on the same day, and at the same location. There is a joint concert that evening.
- For Middle School (7th and 8th grades) there will be two SAB groups and for Elementary School (4th, 5th, and 6th graders) there is a treble group.
- Middle school groups will arrive that morning and start rehearsing around 9:30 a.m. and Elementary will begin rehearsing at 1:00 p.m.

The cost of this event is \$8.00 per elementary student and \$10.00 per middle school student participating . (Plus your schools activity fee if you haven't already paid for the year.)
