

Hello Directors,

The following students in the MTVA Freshman SSA Choir will be singing the middle part in each piece with 3 part divisi. On the SA piece, they should sing their auditioned part. Please note that we added both Sopranos and Altos to the middle part to ensure a good balance.

Please feel free to email me with any questions at choatem@pcsstn.com. Rehearsal tracks should be sent your way very soon!

Sincerely,

Michael Choate
