Full audition cut audio files can be found [here](#) on the left column.

Important Audition Information

1. Please arrive at least 30 minutes before your scheduled time to register, warm up, and head to your audition room. Use the map found [here](#) for parking information.
2. When you register, you will be handed a slip of paper with your name, voice part, and registration number on it. It is **vital** that you do not lose this before your audition.
3. About 10 minutes before your scheduled audition time, please head to your audition room. You will check in with the Door Monitor and then get in the short line to audition. Please remain quiet in the hallways.
4. When it is your time to audition, hand your slip of paper to the Door Monitor and enter the room. **Do not** go behind the curtain. This is a blind audition.

From this point, you will sing your music and then sightread. You will hear a prerecorded voice walk you through the audition in the room. Remember to take a breath and do your best.

Once the audition begins, the judges cannot restart or pause the music. Do your best to find your spot and continue from there.

We look forward to seeing you this weekend at [Green Hill High School](#) (220 Old North Greenhill Rd, Mt. Juliet, TN 37122)!
